Chapter 01 第1探 強さを持った美女

A beautiful woman with strength

You're going home, Hakuba-san?
Thanks for the whole day's work today
Akiii Hakuba kun
Ah, Hakuba-kun
An excellent job!
No, thank you for coming to school!
..I didn't do anything.
Good bye.
Good work.

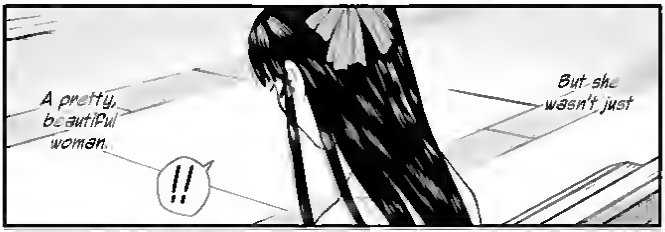
Hakuba-kun, you have a minute?
-and so she couldn't forget about the fact you saved her
But she said she really wanted to convey them, no matter what
Hakuba-kun, you told her that you hated those words
Sorry
From that moment... I...
Actually, I...

Don't have any interest in women.
I'm sorry, but that's all.

Take it in whatever way you like.
Bye.

ㅅA
ㅅA

It's been like that up to now, and it'll probably be like that from now on
I don't have any interest in women
Not in men either
...no, I can never tell a lie
Maybe I said a little too much
Even though I don't have any interest, I can't stand being followed around
STEP
Yeah, I'm okay with this
That's what I decided upon But on that day
Sad
A beautiful woman



A pretty, beautiful woman
!!
But she wasn't just

She had strength

Was this my intuition speaking? No, it's not
Even though the harshness of the world came upon her, she lightly pushed it aside
I wouldn't tell others about what my intuition told me
She had the intensity of a magnificent existence

It's because there was proof.
I know about these guys.
They're uncool, boring guys who do bad stuff around here.
But...
Nine times out of ten, they'd be the bad guys.
What the heck.

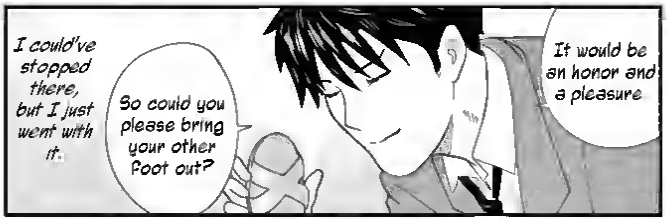
Wouldn't someone normally just walk away if things ended up like this?
Why does she look so composed
Hm?
What is it?
Well are you okay?
No, I am not. I am in great distress.
What are you looking at?
Bring my footwear.
I see...
It completely doesn't seem like it

Bare-foot...
So that's what was bothering her...
Hah...
Hah
Hah
SHOES
SALE
たったった

Heh
There, Is this okay?

I actually wanted to touch her white feet...
She beat me to it.
I don't really understand why she did that
Am I being confused by her lack of flaunting...?
Oh, you do not give boring replies... You seem to be important.
Very well.

I shall make you one of my retainers.



It would be an honor and a pleasure
So could you please bring your other foot out?
I could've stopped there, but I just went with it.

Fine. It shall be Keijirou. I shall forever protect you.
Yes, yes

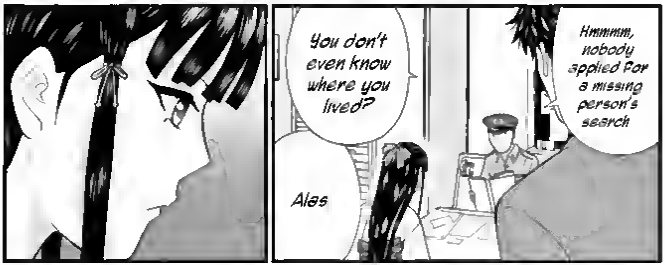
And your name?
Hakuba Keijirou

So you were looking for something?
Now I can go look for it.
Yes. This is not bad.
Hah, how rude of me.
Still doing it
I am Hiiragi.
Do not address your master so rudely.
Ahaha, that's quite a problem.
I am in distress.
When I gained consciousness, I was in this area.
I do not remember anything else aside from that.
Nothing. Just Hiiragi. That is all I know.
Hiiragi what? Is that your first name or last name?

Well... hold up. That's a real problem.
So you seriously don't remember anything?
.....
Not a single thing.
Do you remember anything else? Anything.
.....
This is a doughnut!
So yeah, did you have some sorta accident?
Munch munch
Do you have a headache? Something you got from the accident?

I shall listen
Hm!? You wish to talk about something?
Hey, come on, are you listening?
The outside is brown and the inside is yellow ♡
How charming
What a nice thing
That is correct
Munch munch
...anyways, so you don't remember anything until you reached this area
What a cute girl
Who am I?
I'm scared...
What kind of person was I like?
I have no memories
Something's off here...

It was like that in my dramas...
No, I can't go mixing reality together with fiction.
Oh yeah, so do the people who passed out around you have anything to do with this?
No, nothing at all. I just pushed them aside because they were seriously being a headache.



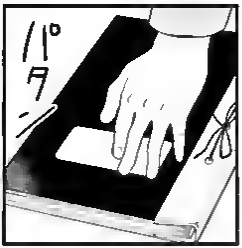
Hmmmm, nobody applied for a missing person's search
You don't even know where you lived?
Alas

Is this that time slip thing?
When I think about it, it makes sense!
The way she speaks!
She's strong because she's a warrior's daughter! Her majesty!!
Oh yeah, and she lost her memories when she went through time.

Uhhh, Hakaba-kun, right? That's enough from you
The girl is underage, so we'll look over her here in the facility until she finds her guardian

There's no way that's possible.
No no...
What the hell am I thinking?

Okay, good work



ピ

She's a strong girl There's no need to worry
Later Hope you can regain your memory

Now, come here and rest until someone comes to get you

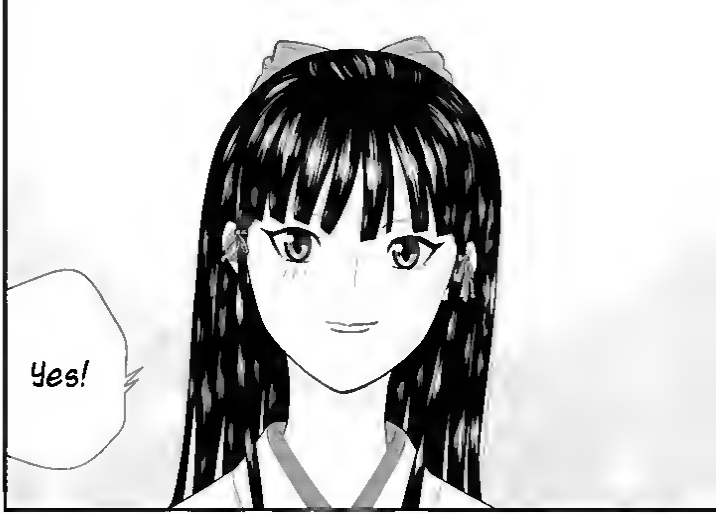
I see.
She really is helpless.
I wonder what kinda troubled face Hiiragi-sama makes.

What folly is this! Where do you think you are going leaving your master here?
Hiiragi-sama isn't the slightest bit worried.
Uh, master!?
No, she's just joking...
I see...
I do not mind you calling it a joke, but I was serious.

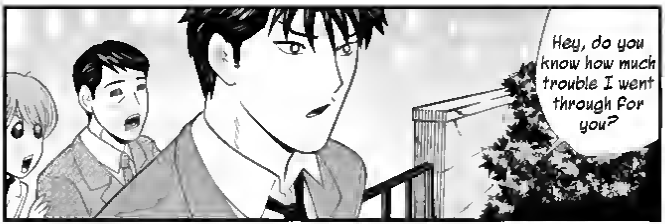
Mom... can I ask something?
Fufufu
That's the first time you asked me, Keijirou-san.

I understand
I'll do whatever
I can to help
Uh, really?
I didn't even
say anything
Your mom
trusts you,
Keijirou-san
You're not
the type
who'd ask
your mom
to do
something
strange.

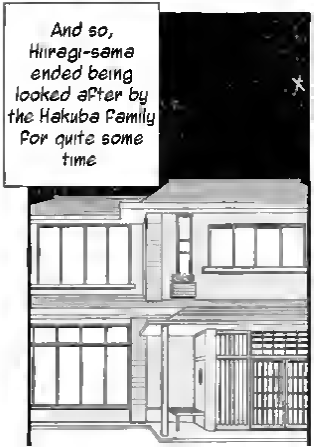
Came to pick up the girl.
And so I, in a move which seemed like it caused me to forfeit 17 years of built up trust,
Do you really know them?



Yes!



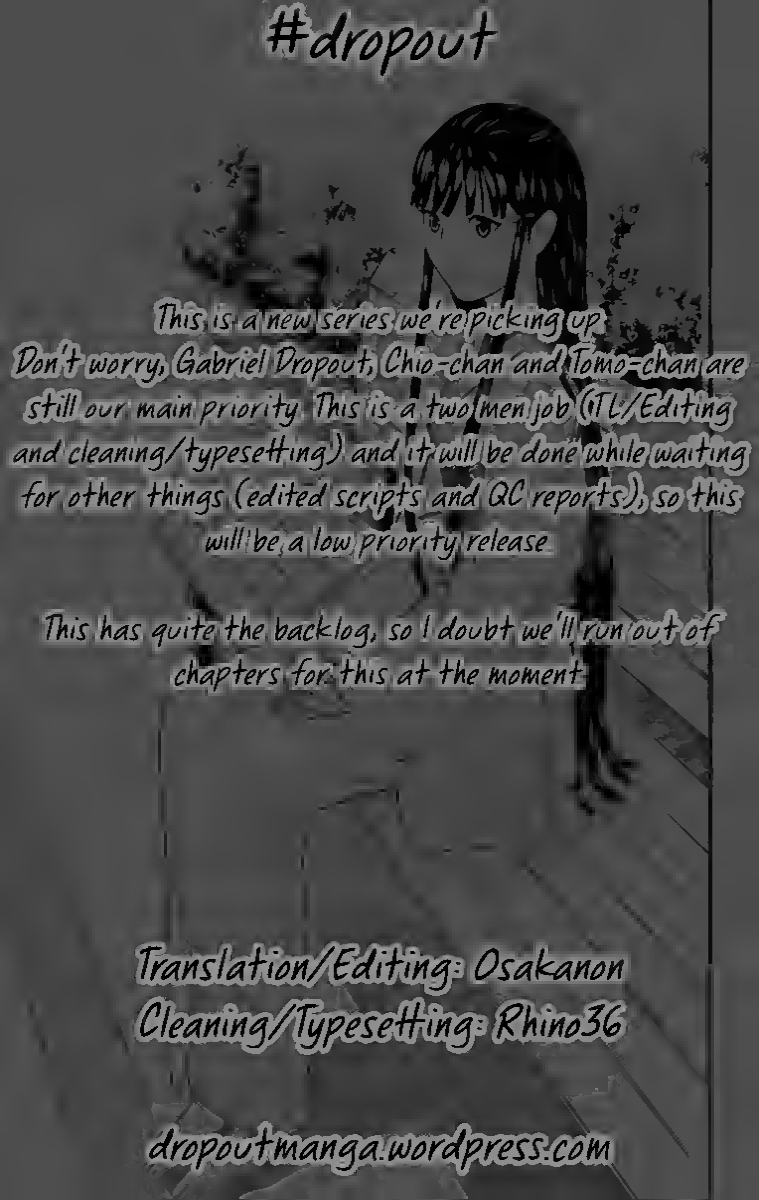
Hey, do you know how much trouble I went through for you?



And so, Hiiragi-sama ended being looked after by the Hakuba family for quite some time

I wanted to complain about that,
But I kinda felt a little happy for some reason

#dropout



This is a new series we're picking up.
Don't worry, Gabriel Dropout, Chio-chan and Tomo-chan are still our main priority. This is a two men job (TL/Editing and cleaning/typesetting) and it will be done while waiting for other things (edited scripts and QC reports), so this will be a low priority release.

This has quite the backlog, so I doubt we'll run out of chapters for this at the moment.

Cleaning/Typesetting: Rhino36
